

Ethical Dilemma Canvas

Project Title:

Date:

Team:

Dilemma

Discuss the dilemma you want to tackle. Phrase the dilemma in one sentence.

1

Stakeholders

Identify all relevant stakeholders that are needed to make a decision in the dilemma. Wat are the most relevant stakeholders in the dilemma?

3

Conflicts

Discuss the conflicts in the dilemma. Which values and/or stakeholders are in conflict? Where does the conflict come from?

5

Rephrase

Rephrase the one sentence of the dilemma with the gained knowledge. Is there a real dilemma? Are you the one to make a decision in the dilemma?

6

Knowings

Identify all relevant knowings that are needed to make a decision in the dilemma. What are the most relevant knowings in the dilemma?

2

Values

Identify all relevant values that are needed to make a decision in the dilemma. Wat are the most relevant values in the dilemma?

4

Options

Select three possible decisions in the dilemma. Identify the effects on all relevant values and stakeholders in the three possible decisions.

7

Impact

Discuss the impact of the three possible decisions in the dilemma. Take into account the impact on manufactured, natural, social & relationship, human, intellectual and financial capital.

8

Decision

Make a decision on the dilemma. What is the decision? Why are you making the decision?
What does the decision mean for others? What are you going to do with the negative effects?
Who's accountable for the decision? Who needs to be informed?
